

Electronic Components

LCD & TouchScreens	Complete lines of competitive LCD Displays from 2" to 42", Double Sighted Dual LCD and Touch Screen technology, InfraRed, SAW, Resistive; Open Frame, Monitor, 4 wire, 5 wire
Connectors	Headers, backplane, board-to-board; Cable Assys (std and custom); DIN, D-Sub (std/filter/LED); RJ's; SMA; TMC; ZMA; Micro-D, Fiber Optic; Coax, USB/DVI/1394, Ip67; Precision RF and Microwave; Terminal Blocks
KEYPADS Silicones	Silicone keypads; plastic keycaps; poly domes, industrial rubber gaskets, O-rings; rubber damper and isolator; rubber rollers; custom silicone molding and products, medical products; baby care products
FAN Technology	Fans, blowers, HVAC blowers; commercial, industrial and military grades
Kiosk Products	Touch Screen technology; metal keyboards; printers; enclosures; supplies
GS Components	Diodes; crystals; potentiometers; switches; capacitors; resistors; membrane switches; Toroids; transformers
Cable & Cable Assembly	On-shore and Off-shore assembly; IP67 certified cables; large cable connectors

Electromechanical

PC Boards	Prototype & Quick Turn, 4 to 24 Layers, Samples in 5 Days, Extremely High Density & Exotic Material Designs, In-House Engineering Support, On-Site & In-House Quality Inspection, QS9000; ISO 9001; ISO14001; ISO/TS 16949 UL Listed
LG hstubing	The third largest supplier of heat shrinkable tubing in the world for your cabling needs
Coatings	Conformal; Acrylic, Urethane, Silicon, Epoxy, Rubber, Aqueous, Masking Materials, Military & UL
POWER SUPPLIES	AC, DC, SCR and High Power Power Supplies, specially designed for the Medical Industry, Military and Commercial to fulfill all requirements
Kiosk Products	Touch Screen technology; metal keyboards; printers; enclosures; supplies
Custom Silicones	Prototype to Medium Volume, Injection Molding and Tooling, Tooling Maintenance & Repair, Offshore Tooling and Production

With our vast resources and market knowledge, we will SOLVE your PROBLEM!
